NOTICE

J. A. WINCHESTER, Principal.

We also are informed that Doctor Cook, of Wakeeney, has his lighting rod up for the republican nomination for the state senator in this district. It was Doctor Cook who piloted the writer around Wakeeney three years ago when we were the republican nominee for state senator. The Doctor, if we remember right, was the republican nominee for representative of Trego county, and his opponents were treating his candidacy as a joke. But the Doctor got all the votes in Wakeeney, and—well, we got a few. (We think like Purcell and Shorty Givier voted for us, but outside of that we would hesitate to make a guess.) And the Doctor may fool them again and come under the wire a winner. Sharon Springs Times.

Last Sunday afternoon just east of Ogallah quite a serious accident occurred when a large seven passenger Chalmers auto turned turtle in which Fred Schwallier and wife, Dr. W. H. Jordan and wife, and a traveling dental salesman from Kansas City were riding. They had been to Wa-Keeney and were returning. The car was owned and was being driven by Mr. Schwallier. It seems that a large rut was suddenly struck while the car was going at a pretty good rate of speed and was instantly turned over pinning its occupants beneath. Clyde Poffenberger was among those who helped lift the car. For unluckily no one was seriously injured. Mr. Schwallier had a rib broken and Dr. Jordan sustained severe bruises. The travelingman was hurt across the chest while painfully not seriously. The ladies were much frightened but were unhurt.

The preaching service at the Riverside school house will continue through next week. Come out with the crowd and hear God's word and what He has for you. God has given us 33,000 promises and they are all ours if we will accept them. Whosoever will, let him take of the water of life freely. Them that come unto Me I will in no wise cast out. You are glad you live in the United States so am I for we wouldn't like to give our soil better or father to be shot down like they are in Europe. Well, it is the same Jesus that is keeping us out of war. You are glad for the abundant crop we have, so am I, are you giving God thanks, don't be mistaken every good and every perfect gift comes from God. Are you bound by sin to this world and would like to be loose and free as the bird that flies the air. This same Jesus is the victory over sin for the blood of Jesus Christ. His Son cleanseth us from all sin. Praise God for His mercies. Let us be ready to move into our mansion into the heavenly home He has prepared for us. E. E. Allen, pastor.

He is a manly young fellow and while young promises to make a splendid man of many sterling qualities. The Mussemann home is noted for its hospitality, and was not wanting in this particular and important instance. A dinner such as only the competent housewife knows how to plan and prepare was served to 250 guests who were loud in their praise of its excellence. Besides this large number of guests the following is a list of out of town guests: Albert Ropers, Albert Simmons, Henry Hillman, and John Haller, of Berlin, Neb.; Fred Stuchoff, Union, Neb.; Geo. Ehlers and family and Christ Wolfe and family, of Wellington, Col. The presents were very numerous and beautiful. The young people will make their home in Trego county. Feed Out Your Hogs Six Weeks Earlier

In every lot of hogs on feed two or three fatten quickly and actually eat less than others. If all would fatten like these, the entire drove would be ready for market six weeks earlier, and to save six weeks' feed is an item that you fully understand.

The hog that fattens easily must be in prime physical condition. The B. A. Thomas Hog Powder is a conditioner for hogs. It keeps their system clean and healthy and enables them to fatten quickly without falling a prey to the usual diseases of hogs. The B. A. Thomas is not stock food. It's straight medicine, and we took the agency because it enables you to feed out your hogs much earlier.
